

Designed to fit your
ballasting needs
all-ways in all waters...

Bawat BWMS gives you the flexibility to choose three in-voyage treatment options - all in the same system.

- Ballasting in-line treatment
 - De-ballasting in-line treatment
 - Tank-to-tank treatment
-

The Bawat BWMS gives you three in-voyage treatment options in the same installation

U.S. Coast Guard and IMO BWMS Code Type Approved
